### EDUCATION:

BS Degree Southern Illinois University at Carbondale, 1989,  
Electronics Management.  
Pittsburgh Institute of Technology, Pittsburgh, PA.,  
Orthotic & Prosthetic Practitioner, 1996

### EXPERIENCE

Ken's career in orthotics and prosthetics began with a special emphasis in pediatric care at the University of Nebraska Medical Center in Omaha, Nebraska. He took a position as clinical manager of NovaCare in Kearney, Nebraska before co-founding Family O&P and serving as its president.

### AFFILIATIONS

American Academy of Orthotists & Prosthetists

## BRANDON BIRULKIN, CF

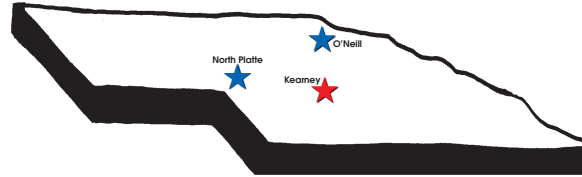

Certified Fitter

### CREDENTIALS:

Board for Orthotic & Prosthetic Certification, Certified Fitter, 2009.

### EXPERIENCE

Brandon has been with Family O&P since 2009. Originally a patient of Family O&P, Brandon lost his leg below the knee in a hiking accident in Colorado in 2007. Prior to his accident, Brandon was a fitness instructor in Fort Collins Colorado, specializing in rehabilitation. He is now pursuing a career in the field of orthotics and prosthetics and holds the title of certified fitter from the board of certification in orthotics and prosthetics. As an amputee, Brandon has an insight into the process of limb loss and returning to normal life that is invaluable to our patients.
